As members of the Hotel Booking Agents Association we are specialists in the sourcing and procurement of accommodation, meetings and events. By using a dedicated venue and hotel booking agent, you are not only assured of up to the minute knowledge of venues and hotels in both the UK and Europe, but also acquire a portfolio of skills and buying power that can only be offered by specialists such as ourselves

Partnering the agency members are over 200 companies representing international chain hotels, UK and International groups and single properties – from training centres, large scale conference and event venues to smaller independent, unusual or historic venues.

The Code of Conduct, by which all Members and Partners must abide by is ratified by leading corporate decision makers – all of whom use HBAA member agents.

Our offices are in Nottinghamshire and Hampshire. Our clients are based all over the UK and range from small enterprises to multi national companies

We would be delighted to come along to your offices to present our services on a more personal basis, so if this would be helpful then please do not hesitate to mention it.
